Samaritan Nervine

Cures Alcoholism, Drunkenness and the habit of Opium Eat ng. These degrading habits are by far the worst evils that have ever befallen suffering humanity. Thousands die annually from these noxious drugs. The drunkard drinks liquor, not because he likes it, but for the pleasure of drinking and treating his friends, little thinking that he is on his way to ruin. Like the Opium Eater, he first uses the drug in small quantities as a harmless an tidote. The soothing influence of the drug takee strong hold upon its victim, leading him on to his own destruction. The habits of Opium Eating and Liquor Drinking are precisely what eating listo affinettiveness, as over-eating first inflames the stomach, which redoubles its cravings mill tpar alvace both stomach and appetite So every drink of liquor or dose of opium instead of satisfying, only adds to its flerofires, until it consumes the vital force and then itself. Like the glutionous tapeworm it cries "Give! give, give!" but never enough until its own rapacity devours itself. Samarian Nervine gives instant relief in all such cases, It produces sleep, quiets the nerves, builds up the nervous system and restores hedy and mind to a healthy condition.
